J. Roger Easley

Home Address	J. Roger Easley 20962 NW 167 th Place High, Springs, FL 32643 386-454-9721
Current Position	Adjunct Professor of Clinical Pathology Department of Physiological Sciences College of Veterinary Medicine University of Florida P.O. Box 100103C Gainesville, FL 32610-0103 352-392-4700, ext. 5084 Fax: 352-392-2938
Education	Tennessee Tech, 1961-1964 Pre-veterinary Medicine Auburn University, 1964-1968 Doctor of Veterinary Medicine Magna Cum Laude Tulane Medical School, 1968-1969 Postdoctoral Fellowship Laboratory Animal Medicine University of Missouri, 1974-1975 M. S., Veterinary Pathology
Board Certification	American College of Veterinary Pathologists Anatomic Pathology, 1977 Clinical Pathology, 1981
Employment History	Temple Terrace Animal Hospital, Tampa, Florida, 1969 U.S. Air Force Captain, Veterinary Corps 1970-1973 Blue Ridge Animal Hospital Black Mountain, North Carolina

Self-employed
1973-1974

College of Veterinary Medicine
University of Missouri
Research Associate and Graduate Student
1974-1975

Kentucky Department of Agriculture
Diagnostic Laboratory
Hopkinsville, Kentucky
Veterinary Pathologist
1976

College of Veterinary Medicine
University of Tennessee
Anatomic and Clinical Pathologist
1977-1981

Oak Ridge National Laboratory
Research Scientist 1
1981-1982

School of Veterinary Medicine
North Carolina State University
Director of Clinical Pathology
1982-1985

College of Veterinary Medicine
Mississippi State University
Director of Diagnostic Laboratory Services, 1985-1991
Director of Diagnostic and Field Services, 1991-2001

**Academic
Appointments**

Assistant Professor, Tenured
University of Tennessee
1977-1981

Associate Professor
North Carolina State University
1982-1985

Professor, Tenured
Mississippi State University
1985-2004

**Administrative
Experience**

Officer in Charge of 4 Veterinary Detachments

U.S. Air Force
1970-1973

Opened and owned Blue Ridge Animal Hospital
1973-1974

Director of Electron Microscopy
Hopkinsville Diagnostic Laboratory
1977

Director of Clinical Pathology
University of Tennessee
1980-1982

Director of Clinical Pathology
North Carolina State University
1982-1985

Diagnostic Service Chief
North Carolina State University
1982-1985

Chairman of the Hospital Board
North Carolina State University
1984-1985

Director, Diagnostic Laboratory Services
Mississippi State University
1985-1991

Interim Director
Animal Health Center
Mississippi State University
January-July, 1988

Director, Diagnostic and Field Services
Mississippi State University
1991-2001

Faculty Senate
Mississippi State University
1986 -1999
Chair, 1990-1991, 1991-1992

Military Public Health Officer
Tennessee Air National Guard

**Research
Experience**

Lt. Colonel, retired January 2003

Examination Committee Member
American College of Veterinary Pathologists
1983-1988
Chair, 1988

Chair, Ad Hoc Certification Examination Review
Committee, American College of Veterinary
Pathologists
1989

Relationship of Morphologic Lesions to Proteinuria in
Serum Sickness Glomerulonephritis in Rabbits.
Graduate Research Project,
Departmental Funds, University of Missouri.

Biocompatibility of Plasma Polymer Implants in Rats
and Rabbits. Co-Investigator, NSF funds.

Biocompatibility of Biogalvanic Pacemakers in Dogs.
Co-Investigator, Commercial Funds.

Cell Mediated Immune Response in Cats Stimulated
with BCG. Co-Investigator, In-House Competitive
Funds, University of Tennessee.

Lithium-Induced Renal Tubular Dysfunction in Dogs.
Principal Investigator, In-House Competitive Funds,
University of Tennessee.

Toxicity of Shale Oil and Distillates of Shale Oil and
Petroleum. Co-Investigator, Department of Energy
Funds, Oak Ridge National Laboratory.

Erythrograms and Red Cell Distribution Width in
Experimental Equine Anemias. Principal Investigator,
In-House Competitive Funds, N. C. State University.

Hematologic Disturbances Associated with
Anticonvulsant Drug Therapy in Dogs.
Co-Investigator, In-House Competitive Funds,
N. C. State University.

Presentations

30+ at local, regional, and national meetings

Subjects and Courses Taught

Clinical Pathology

Pathology of the Urinary System

Renal Pathophysiology

Dermatopathology

Hemolymphatic System

PBL Facilitator, Case Author, and Resource Faculty

Committees

I have served on over 50 committees; the following ones were the most significant. I have also served on many residency and graduate committees, which I have excluded.

University of Tennessee

Admissions
Medical Records
College of Agriculture Advisory Committee

North Carolina State University

Wake Technical College Advisory Committee
Personnel Policy
Environmental Policy
Biosafety
Hospital Service Chiefs
Hospital Board, Chair (One Year)
Three Search Committees, Chair of One

Mississippi State University

College of Veterinary Medicine
Curriculum Committee (Chair, 2 years)
Academic Board
Research Board
Animal Health Center Operations Group
College Promotion and Tenure Committee
Continuing Education
Electron Microscopy Advisory Committee
Faculty Awards
Medical Records
M.V.M.A Diagnostic Laboratory Committee

Faculty Senate
University Resources
Tuition Waiver
Ancillary Affairs
Charter and Bylaws

University
University Calendar
Athletic Council
Academic Council

Administrative Council
Executive Council
Priorities and Planning
Department Head Executive Committee

University Search Committees

Dean, College of Veterinary Medicine

Vice President, Division of Agriculture,
Forestry, and Veterinary Medicine

Provost and Vice President of Academic Affairs
(three, chaired one)

Organizations

American Veterinary Medical Association

American College of Veterinary Pathologists

American Society of Veterinary Clinical Pathology

Awards

Omicron Delta Kappa Leadership Society

Phi Kappa Phi National Honor Society

Phi Zeta National Veterinary Honor Society

President's Award (Outstanding Graduate of Auburn
School of Veterinary Medicine, 1968)

Outstanding Teacher Award, N C. State University,
1983 and 1984

H.E.A.D.W.A.E. Outstanding Faculty Member,
Mississippi State University, 1991

Dean's Pegasus Award for Service, 1991

Air Force Commendation Medals (two)

Journal Reviewer

Veterinary Clinical Pathology

Veterinary Pathology

American Journal of Veterinary Research

Other

Consultant to three Pathology Working Groups at the National Toxicology Program, 1982-1985

Faculty Advisor to the Student Chapter of the American Veterinary Medical Association, 1988-1990

CVM United Way Coordinator, 1997

Community Activities

Over the years, I have participated in numerous community activities, for example, Kiwanis Club and youth soccer coach and referee.
